

## City Of Belleville

### Mineral Road and Maitland Drive Reconstruction and Servicing Extension

## PROJECT UPDATE

---

**ENGINEERING & DEVELOPMENT  
SERVICES**

March 2019

Public Notice

---

### THE PROJECT

The Mineral Road and Maitland Drive Reconstruction and Servicing Extension Project will resume shortly. This year's construction includes work on Maitland Drive from Highway 62 to Mineral Road and on Maitland Drive from Parks Drive to Farnham Road:

- Installation of a new water main and sanitary sewer, including new service connection pipes from both the water main and sewer to the property line.
- Installation of a new storm sewer.
- Road widening, new concrete curb and gutter and new asphalt paving.
- Installation of new sidewalks, street lighting, and landscaping.
- Construction of a roundabout at Maitland Drive and Farnham Road intersection.

Underground installations, road reconstruction and base course asphalt were completed last year on Mineral Road and on Maitland Drive from Mineral Road to Parks Drive. Please note Contractor presence in these areas will continue in 2019 for surface asphalt paving, landscaping and miscellaneous cleanup.

### CONTRACTOR INFORMATION

The Contractor for this project is K. Mulrooney Trucking Ltd. The Contractor will deliver a Project Notice to adjacent property owners and will communicate with property owners during construction to provide information on traffic disruptions; to coordinate service connection locations; and to maintain access to properties.

For information or assistance during construction, please contact:  
Chris Mulrooney, Site Supervisor, (613) 876-6416  
Rob Raposo, Project Manager, (613) 561-2198

### PROJECT SCHEDULE

The Contractor will re-mobilize on April 1, 2019. This project was planned to be completed over two construction seasons (2018 and 2019) with a winter shutdown in between. Construction is anticipated to be completed this Fall 2019.

Your continued patience and cooperation during this project is appreciated. Should you have any questions or require information, please contact:

Deanna O'Leary, Senior Project Manager  
(613) 967-3200 x3527
