

Catharine Street Pedestrian Bridge NOTICE OF CLOSURE

EFFECTIVE IMMEDIATELY THE CATHARINE STREET PEDESTRIAN BRIDGE IS CLOSED.

Due to the deteriorated condition of the structure it has become necessary to close this bridge in the interest of public safety.

Pedestrians are now being asked to use the Bridge Street Bridge or the Front Street Bridge to cross the Moira River.

This closure will remain in effect until the Catharine Street Pedestrian Bridge is replaced with a new bridge which is expected to commence in 2019.

Your understanding and co-operation is greatly appreciated.
