The next three years will be very exciting times for Downtown Belleville! We will see a revitalization of the downtown and a renewed interest in being part of what has always been the 'Heart of the City'.

Trenval recognizes that you will want to be a part of this revival for Downtown Belleville and are proud to offer assistance. We would like to offer pre-approved low interest loans during the construction phase of the Build Belleville Project.

For over 25 years, Trenval has dedicated themselves to help the Belleville, Deseronto, Quinte West, Stirling-Rawdon, and Tyendinaga region by providing businesses with resources for startup and growth.

Trenval's Board of Directors are offering BDIA members the Downtown Belleville Loan Assistance Program to be used for marketing initiatives or operating costs. There are no conditions on the use of these funds.\*
