Media Advisory

Belleville Transit is modifying transit Route 7 and 10 in response to the picket line in place at Loyalist College on Wallbridge-Loyalist Road. Notification will be sent out when regular routing resumes.

Effective Immediately:

Route 7

Route will operate on normal schedule and route to Loyalist College

At Loyalist College the bus will not enter the campus

Route 7 will remain on Wallbridge-Loyalist Road and stop at the two (2) temporary bus stops that have been set up northbound on Wallbridge-Loyalist Road

The first stop is at the Pioneer Building, where a platform has been set up over the ditch to permit passengers to safely access the bus stop

The second is just north of the main driveway at the ball diamond, where another platform has been set up over the ditch to permit safe access to the stop

From this point the bus resumes its regular route

There will be no extra route 7 buses during this detour

Route 10

Route 10 will operate regular route to Palmer Road

Turn left on Palmer road to Dundas Street West

Right on Dundas Street West to Wallbridge-Loyalist Road

Right on Wallbridge-Loyalist Road to service the two (2) temporary bus stops set up on north bound Wallbridge-Loyalist Road

The first stop is at the Pioneer Building, where a platform has been set up over the ditch to permit passengers to safely access the bus stop

The second is just north of the main driveway at the Ball Diamond, where another platform has been set up over the ditch to permit safe access to the stop

From this point the bus resumes regular route
