ZONING BY-LAW NUMBER 10245
AS AMENDED

THE CITY OF BELLEVILLE

BY-LAW NUMBER 10245

Being a By-Law for permitting the use of land, for such purposes, as are set out in this By-Law, and for permitting the erection or use of buildings or structures for such purposes as are set out in the By-Law; and for regulating the height, bulk, location, size, floor area, spacing, character and use of buildings or structures to be erected and the minimum lot frontage and area of the parcel of land and the proportion thereof that any building or structure may occupy; and for requiring the owners or occupants of buildings or structures to be erected or used for a purpose named in the By-Law to provide and maintain loading or parking facilities; and for requiring that municipal services as set out in the By-Law are available to service the land, building or structures as the case may be.

This Edition is prepared for purposes of convenience only, and for accurate reference recourse should be to the original By-Laws.

By-Law 10245 has been amended by the following By-Laws which have received Ontario Municipal approval, where necessary, and which are incorporated in this consolidation.

THE CITY OF BELLEVILLE

BY-LAW NUMBER 10245

PART A - APPLICATION AND INTERPRETATION

1. PURPOSE

WHEREAS it is deemed expedient and necessary in the public interest to regulate the use of lands and the character and use of buildings and structures in the City of Belleville pursuant to the authority contained in Section 35 of The Planning Act, R.S.O., 1970, Chapter 349, as amended:

2. TITLE

This By-Law, composed of the text herein and the Schedules and maps attached hereto, and made a part thereof, shall be known as the "**Restricted Area (Zoning) By-Law**" of the City of Belleville.

BE IT THEREFORE ENACTED BY THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE CITY OF BELLEVILLE AS FOLLOWS:

3. AREA DEFINED

The provisions of this By-Law, for the purposes of interpretation and application, shall be held to be the minimum requirements adopted for the health, convenience, safety and general welfare of the public and shall apply to all lands, and the buildings and structures erected thereon, lying, situate and being in the City of Belleville.

4. CONFORMITY

Save as otherwise provided in this By-Law, no land, or building, or structure, shall be used for any purpose, and no building, or structure, shall be erected, altered for any purpose except as hereafter stated in this By-Law and in conformity with all of the applicable provisions of this By-Law.

Nothing in this By-Law shall apply to exempt any person from complying with the requirements of any By-Law in force within the City, or from obtaining any license, permission, consent, permit, authority, or approval required by this or any other by-law of the City or by any other Federal, Provincial or Municipal Law in force at this time of the passing of this By-Law.

5. DEFINITIONS

In this By-Law, unless the context otherwise requires, the definitions hereafter set forth shall apply.

- (1) "**Accessory**" shall mean the use of land or a building or structure that is naturally and normally incidental subordinate, and exclusively devoted to the main use of the land, building or structure and located on the same lot therewith.
- (2) "**Accessory Building or Structure**" shall mean a detached building or structure the use of which is incidental and subordinate to that of the main building and located on the same lot therewith.
- (3) "**Accessory Use**" shall mean a use that is naturally and normally incidental and subordinate to the main use and operated with the main use of the same lot.
- (4) "**Advertising Sign General**" shall mean a sign which refers to goods produced, offered for sale or services obtainable at premises other than the land or building on which the sign is displayed.

- (5) **"ADVERTISING SIGN LOCAL"** shall mean a sign which refers only to goods produced or offered for sale or services obtainable at the premises or on the land on which the sign is displayed.
- (6) **"Aisle"** shall mean the area immediately adjacent to each parking space, and capable of vehicular ingress thereto and egress therefrom at all times. No aisle need be provided in conjunction with a parking space for a one family dwelling, semi-detached dwelling, duplex dwelling or a horizontal multiple attached dwelling, where not in the form of Group Housing.
- (7) **"Alter"** shall mean when used in reference to a building or part thereof, to change any one or more of the internal or external dimensions of such building, or to change the type of construction of the exterior walls or roof thereof. When used in reference to a lot, the word **"alter"** means to decrease the width, depth or area thereof of any required yard, setback, landscaped open space or parking area, or to change the location of any boundary of such lot with respect to a public highway or laneway, whether such alteration is made by conveyance or alienation of any portion of said lot, or otherwise. The words **"altered"** and **"alteration"** shall have a corresponding meaning.
- 10882 (7a) **"Amusement Arcade"** shall mean a building or place of amusement containing games of chance and/or skill to be used by the general public for recreational purposes and operated for a profit.
- (8) **"Assembly Hall"** shall mean a building, or portion of a building, in which facilities are provided for such purposes as meetings for civic, educational, political, religious and/or social purposes.
- (9) **"Attached"** shall mean, when used to describe any building or structure, that the roof of such building or structure is supported by a wall of the building.
- (10) **"Basement"** shall mean that portion of a building between two floor levels, which is partly below grade but which has at least one half of its clear height above the adjoining ground level.

1. ADMINISTRATION

- (1) This By-Law shall be administered by a person designated from time to time by the Council as the Zoning Administrator.
- (2) Where land is proposed to be used or a building or structure is proposed to be erected or used in violation of this By-Law:
 - a) No permit for the use of the land or for the erection or use of the building or structure shall be issued;
 - b) No certificate of occupancy for change of use shall be issued; and
 - c) No municipal license shall be issued.
- (3) A person who wished this By-Law amended may apply to the Council setting out the desired amendment, and shall address the application to the City Clerk. This application shall include approximate site plans showing proposed use, setback, location of parking areas, location of entrance and exit driveways, etc.
- (4) The Zoning Administrator, or any employee of the City of Belleville acting under his direction, is hereby authorized to enter, during business hours, upon any property or premises for the purpose of carrying out his duties under this By-Law.
- (5) The Zoning Administrator of this By-Law may designate either street-line of a through lot as the front lot line.
- (6) In the event of conflict between this By-Law and any general or special By-Law, the most restrictive By-Law shall prevail.
- (7) In addition to the requirements of the Building By-Law, every application for a building permit shall be accompanied by plans, in duplicate, drawn to a scale, based upon an actual survey by an Ontario Land Surveyor, showing the true shape and dimension of the lot to be used, or upon which it is proposed to erect any building or structure, and showing the proposed location, height and dimensions of the building or structure or work, in respect of which the permit is applied for, and the location of every building or structure already erected on or partly on such a lot, together with a block plan, and a statement signed by the owner or his agent duly authorized thereunto in writing filed with the Zoning Administrator, which statement shall set forth in detail the current and intended use of each building and structure, or part thereof, the sanitary facilities available and all information necessary to determine whether or not every such building conforms with the aforesaid requirements of this By-Law.
- (8) Scale drawings shall be submitted with the application for the building permit showing the location of all parking spaces, entrances and exits to such parking areas.
 - (9) The lot and proposed location of every building or structure thereon shall be staked out on the ground before construction is started; and the lack of a land survey or an error in staking does not relieve any person from liability for not complying with the requirements of this By-Law.
- 10413 (10) Except as hereinafter provided, no person shall use land or erect or use a building or structure in the defined area for the **bulk** storage of naphtha, gasoline, dynamite, dualin, nitro-glycerine or gunpowder, petroleum or other dangerous or combustible, inflammable or explosive substances.

- (11) Notwithstanding the provisions of Subsection (12), where dangerous or combustible, inflammable or explosive substances referred to in (12) above are an incidental but integral part of a manufacturing or assembling process, such substances may be used and stored on the premises of an industrial operation, subject to all other provisions of this By-Law and provided that the handling and storage of such substances are in accordance with all other statutes and regulations governing the handling and storage of such substances.
- (12) No person shall use land or erect or use a building or structure in the defined area for any purpose which from its nature or the material used therein is, under the Public Health Act or regulations thereunder, declared to be a noxious trade, business or manufacture.
- (13) The making or establishment of pits and quarries shall be prohibited within the defined area.
- (14) No person shall erect or use any building or structure on any parcel of land which does not front on a street.
- 11375 (15) Notwithstanding any other provision of this By-Law, nothing shall prevent the erection of a permitted detached one (1) family dwelling on a lot which existed as of the date of passing of this By-Law (or on a Lot which was part of a draft-approved plan of subdivision as of the date of passing of this By-Law), and which has insufficient lot frontage or front lot line or lot area provided that there is compliance with all other provisions of this By-Law.
- (16) Notwithstanding any other provision in this By-Law, in a corner lot, the side yard requirement along the outside side lot line shall not be less than the front yard requirement for the zone in which such corner lot is situated.
- (17) No person shall hereafter erect or use in whole or in part, any main building for any purpose unless serviced by and connected to:
 - a) an adequate municipal water supply system; and
 - b) an adequate municipal sanitary sewer system.
- 2016-84 (18) (DELETED)
- 10670 (19) No development shall take place on any parcel of land designated as "**Site Plan Control Area**" in the "**Site Plan Control By-Law**" unless the Council of the Corporation has approved such plans and drawings required under the provisions of the "**Site Plan Control By-Law**".
- 11125 (20) Boarding, rooming and/or lodging houses shall be licensed by the City of Belleville pursuant to Section 352, Subsection 77, of The Municipal Act, R.S.O. 1970.

2. USE PRIOR TO THE BY-LAW AND ALIENATION OF LAND

- (1) Nothing in this By-Law shall apply:
 - a) to prevent the use or maintenance of any land, building or structure for any purpose prohibited by the By-Law if such land, building or structure was lawfully used for such purpose on the day of passing of the By-Law, so long as it continues to be used for that purpose;

- b) to prevent the erection, maintenance or use for a purpose prohibited by the By-Law of any building or structure the plans of which have, prior to the day of passing of the By-Law, been approved by the Chief Building Official, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the erection of such building or structure if commenced within two years after the day of the passing of the By-Law and such building or structure is completed within a reasonable time after the erection thereof is commenced.
- (2) Nothing in the By-Law shall prevent the strengthening or restoration to a safe condition of any non-conforming building or structure, provided such restoration or repair does not increase the height or size or change the use of such building or structure, unless such change in use is in conformity with the provisions of the zone in which such use is located.
- (3) Notwithstanding anything in the By-Law, no person shall reduce any lot in area, either by conveyance or other alienation of title of any portion thereof so that the area covered by buildings or structures on the lot exceeds the maximum permitted by this By-Law or the yards provided are less than the minimum permitted by this By-Law, for the zone in which the lot is situated. However, no person shall be deemed to have contravened any provision of this By-Law by reason of the fact that any part or parts of any lot has or have been conveyed to or acquired by any Public Authority.

3. EXTERNAL DESIGN AND CHARACTER OF BUILDINGS

- (1) All buildings or structures hereafter erected shall have the roofs and outside walls finished with suitable material recognized as an outside cladding material.
- (2) No person shall erect on lots in any block within a detached one family, semi-detached and/or duplex dwelling project, dwellings, more than 20 percent of which are alike in external design, with respect to size and location of doors, windows and projecting balconies.
- (3) In a residential development no more than three dwellings alike in external design shall be built upon adjoining lots that front on the same street.
- (4) Where this By-Law permits land to be used and buildings and structures to be erected thereon in compliance with provisions respecting external appearance of buildings, yards, parking and loading spaces, landscaping and erecting of signs, those things required by the provisions shall be hereafter maintained.

4. VIOLATIONS AND PENALTIES

- 10950 (1) Every person who uses any land, or erects or uses any building or structure in a manner contrary to any requirements of this By-Law, or who causes or permits such use or erection, or who violates any provision of this By-Law or causes or permits a violation, shall upon conviction therefore, forfeit and pay at the discretion of the "**justice**" a penalty not exceeding the sum of \$1,000.00 (exclusive of costs) for each offence, and in addition thereto a fine not exceeding \$20.00 for every day the offence continues, and the provisions of the Provincial Offences Act as provided and limited by The Municipal Act shall apply thereto.
- (2) Where this By-Law is contravened, in addition to any other remedy provided and to any penalty imposed by this section, such contravention may be restrained by action at the instance of the City or any ratepayer of the City.

5. REPEAL

The following By-Laws of the City of Belleville are hereby repealed:

front lot line. In the case of a lot which has a curved front lot line, lot frontage shall be measured on a straight line which is tangent to the mid point of a curved line which is 7.5 m. back from, and parallel to, the front lot line.

- (2) For the purposes of Subsection (1) above, the frontage of a corner lot which has a daylight triangle, shall be measured on a straight line, 7.5 m. back from the front lot line and perpendicular to the side lot line, between the side lot line and the projection of the outside side lot line.
- (3) The depth of a lot, for the purposes of establishing the dimensions of a lot, shall be the horizontal distance between the front and rear lot lines and where these lines are not parallel, the horizontal distance between the mid point of the front lot line and the mid point of the rear lot line. Where no rear lot line exists, lot depth shall be the distance between the apex of the triangle formed by the side lot lines and the mid point of the front lot line.
- (4) Notwithstanding the foregoing, where a lot is divided into more than one zone classification, a zone boundary may be used in place of a lot line, when determining lot dimensions, where such zone boundary is located closer than the respective lot line, provided such lot dimension is determined entirely within the respective zone classification.

12. YARDS AROUND BUILDINGS

- (1) The parts of any attachments to a main building which may project on or over a minimum required yard are:
 - a) cornices, sills, eaves and eaves troughs, which project no more than 0.8 m. into any required yard;
 - b) a chimney which projects no more than 0.6 m. into any required yard;
 - (c) unenclosed verandas, balconies and porches which project not more than 1.2 m. in a front yard, or no more than 3.0 m. into a required rear yard;
 - (d) unenclosed steps, with or without a landing, above or below the surface of the yard, which project no more than 0.6 m. into or over any required side yard;
 - (e) canopies which project no more than 1.2 m., into any required yard, provided that any canopy is at least 2.0 m. above the surface of the yard and no supports or posts are constructed under the canopy;
 - (f) fire escapes which project not more than 1.5 m. into a rear yard.
- (2) The portions of and attachments to any accessory building, otherwise permitted by this By-Law, which may project over or into any required side or rear yard are eaves, troughs and sills which project no more than 0.5 m..
- (3) Notwithstanding anything contained in this By-Law, no person who uses land or erects buildings or structures thereon, shall place in or on a corner lot any building or structure, or any wall, fence, tree or hedge or other barrier which would obstruct visibility above a height of 0.6 m. above the grade of the centre line of the intersecting streets, on that portion of the lot:
 - a) within a triangle formed by the boundaries of the lot common with the street lines and a straight line connecting points on each of the said boundaries measured distance 6.0 m. from the point where they intersect;
 - b) in the case where the lot boundaries abutting the intersecting streets have been joined by a curve, the area between the chord joining the beginning and end of such curve, and the street line.

12670 (4) In a Residential Zone, no person shall erect any wall or fence, or any other barrier, which would obstruct visibility above a height of 0.6 m. above the grade on the front lot line and on those portions of the side lot lines between a point 4.5 m. back from the street lines and the street line.

13. OBJECTS PROHIBITED IN YARDS

(1) Except as hereinafter provided no person shall obstruct by the erection of a building or structure, or by the storage of lumber, salvage or similar material, any front yard, side yard or rear yard required to be provided by this By-Law.

(2) In any Residential Zone:

a) No person shall use any lot for the parking or storage of any commercial vehicles in excess of 2945 kg. (6500 pounds) vehicle weight;

b) Notwithstanding the provisions of Subsection (2) a) of this Section, the occupant of any dwelling may use any garage situated on the same lot, for the housing or storage of one commercial vehicle, not exceeding 4530 kg. (9986 pounds) vehicle weight, which vehicle is operated by himself;

c) Notwithstanding Subsection (2) a) and b) of this Section, commercial vehicles which attend at premises for the purpose of delivering goods or providing a service to the occupant shall not be deemed to contravene this By-Law;

(d) Where a recreational vehicle is parked in any yard of a lot, such vehicle shall not be used for living or sleeping accommodation for longer than 30 consecutive days by any person in transit between one place and another; but in no event shall such living or sleeping accommodation be leased or rented;

(e) No person shall use any lot for the parking in any yard of:

i. a motor vehicle used for stock car racing;

ii. a motor vehicle which has had part or all of its superstructure removed;

iii. a motor vehicle which is in an unlicenceable condition.

2002-61 (f) A truck trailer box shall not be permitted within any residential zone.

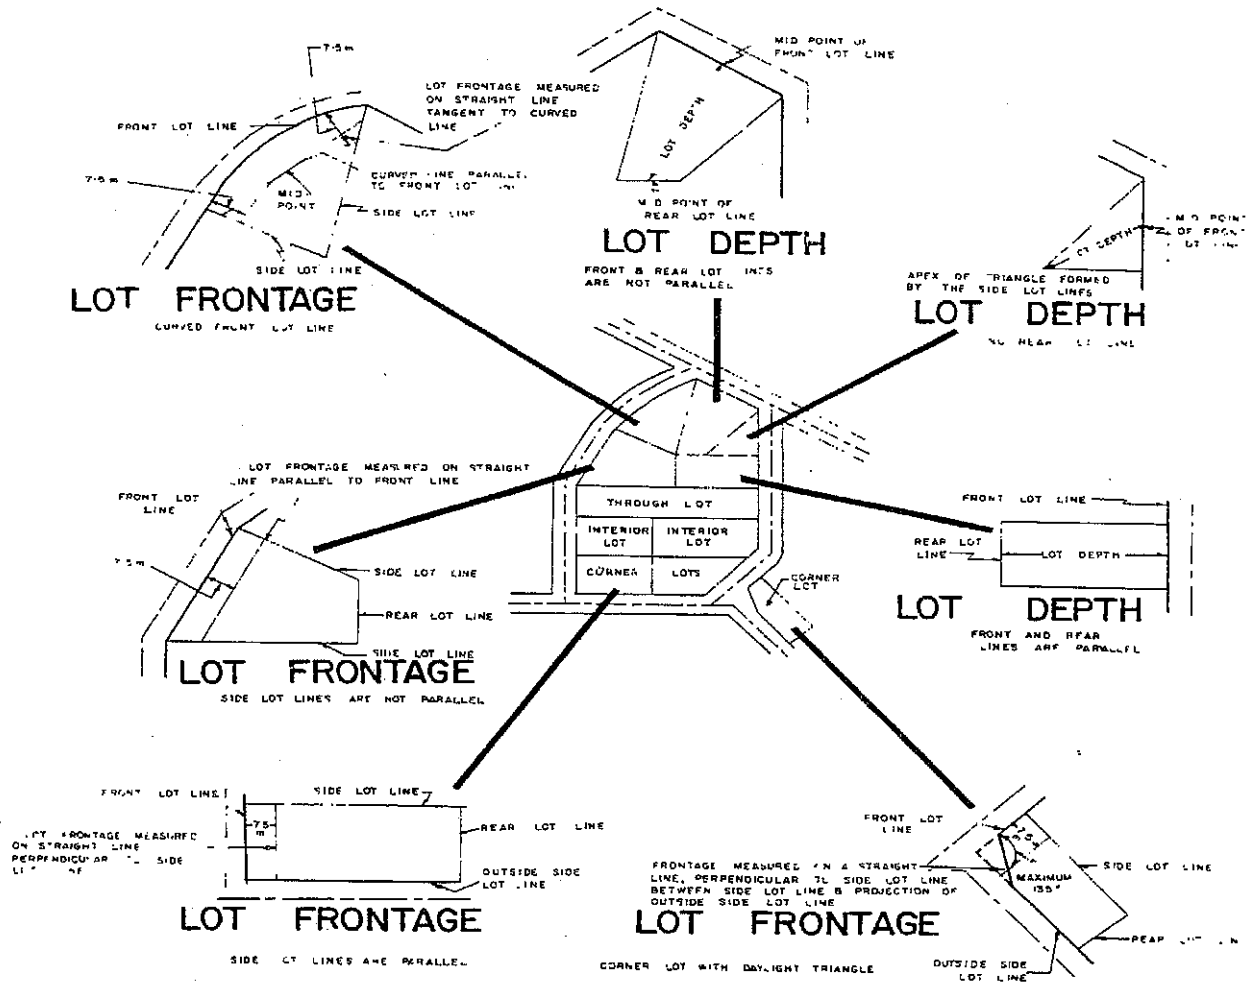

14. OFF-STREET PARKING REQUIREMENTS

15. SUPPLEMENTARY OFF-STREET PARKING REQUIREMENTS

- (1) The following supplementary requirements shall apply to all required parking areas in all zones except in the case of detached one family dwellings, semi-detached dwellings, duplex dwellings and horizontal multiple attached dwellings where not in the form of Group Housing:
- a) Every parking space shall have a minimum width of 2.4 m. and a minimum length of 6.0 m. provided that a parking space having a parking angle less than twenty (20) degrees shall be at least 7.0 m. in length. No obstruction of a required parking space shall be permitted. Where a solid wall abuts a parking space, such parking space shall have a minimum width of 2.7 m. However, where a minimum width of 2.7 m. is supplied in parking structures, supporting columns may project a maximum of 0.3 m. into one side only of the parking space, where the other side of the parking space is not limited by a solid wall and where the minimum aisle width is 6.4 m. for parking supplied in conjunction with residential uses, and 6.7 m. for non-residential uses;
 - b) All off-street parking required for any main use shall be provided on the same lot on which such main use is located;

- c) Ingress and egress directly to and from any off-street parking spaces shall be by means of a hard-surfaced aisle having a width of at least 3.9 m. for a parking angle of 0 degrees to 50 degrees, 5.5 m. for a parking angle greater than 50 degrees but less than 70 degrees, and 7.0 m. for parking supplied in conjunction with residential uses, and 7.3 m. for non-residential uses, for a parking angle of 70 degrees to 90 degrees, provided, however, for the latter parking angle where each parking space has a minimum width of 2.7 m. the aisle may be reduced to a width of 6.4 m. for parking supplied in conjunction with residential uses, and to a width of 6.7 m. for non-residential uses;
 - d) The parking area shall be constructed of crushed stone, slag, gravel, having an asphalt or cement binder, or any type of permanent type surfacing with drainage facilities that comply with the requirements of the Corporation;
 - e) Every driveway to a parking area shall be surfaced in the same or better manner as the parking area. Such driveway or driveways shall have a minimum width of 3.0 m. but shall not exceed 9.0 m. in width. Driveway widths in Residential Zones shall be subject to Subsection 15.(5) of this Part C;
 - f) The lights used for illumination of the parking area shall be so arranged as to divert the light away from adjacent lots;
 - g) Driveways to a parking area shall not pass through zones other than the one containing such parking area;
 - h) When a building or structure accommodates more than one type of use, the off-street parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building or structure occupied by the separate types of use.
- (2) In addition to the requirements of Subsection 15(1) above, the following additional requirements shall apply to required parking areas provided in all C1, C2, C3, C4, C5, C6, C7, M1, M2, M3, NH and CF Zones;
- a) Where parking is provided in any front yard or outside yard, the parking areas shall be separated from any adjacent street line by a strip of land not less than 1.5 m. in width, which shall be reserved for landscaping purposes and such strip shall include a curb or similar barrier, except for a driveway or driveways.
 - b) A structure not more than 4.5 m. in height and not more than 4.5 sq. m. in area may be erected in the parking area for the use of parking attendants;
 - c) No gasoline pump for retail purposes or other service station equipment shall be located or maintained on any off-street parking area;
 - d) Where off-street parking abuts a Residential Zone or RH Zone, the parking area shall be separated from the abutting lot line by a strip of land at least 1.5 m. in width. Such strip of land shall be retained for landscaping purposes, and shall include at least one row of hardy shrubs not less than 1.5 m. in height and shall be maintained in a healthy growing condition except for a driveway or driveways.
- (3) For detached one family dwellings, semi-detached dwellings, duplex dwellings and horizontal multiple attached dwellings, where not in the form of Group Housing, the required off-street parking space per dwelling unit may be located in a driveway or private garage located on the same lot as the dwelling unit.

12698 (4) a) Notwithstanding the requirements of Part C, Section 14, of this By-Law, within the areas zoned C2 and located within the boundary formed by the following, off-street parking shall be provided in accordance with the requirements of Subsection 15.(4)b) of this Part C:

the west side of Church Street between Dundas Street East and Station Street;

the south side of Station Street between Church Street and the Moira River, and the south side of Moira Street between Coleman Street and North Front Street;

the north side of the CP rail line between Church Street and Coleman Street;

and the east side of Coleman Street between Dundas Street West and Bridge Street West, and the west side of Coleman Street between Bridge Street West and Moira Street West (properties fronting on the west side of Coleman Street shall be considered to form part of the defined area).

b) For every building or structure erected, altered or enlarged after the passing of this By-Law within the area identified in Subsection 15(4)a) of this Part C, there shall be provided and maintained off-street parking in conformity with the requirements of Part C, Section 14, with the exception that for the first 371.6 sq. m. of gross floor area of the building or structure no parking spaces shall be provided, and for the total gross floor area of the building or structure in excess of 371.6 sq. m., the total number of parking spaces required to be provided for one or more permitted main commercial uses or main community facility uses shall be reduced by 10% in total.

Notwithstanding the preceding, and notwithstanding the requirements of Part C, Section 14, no parking shall be required to be provided for the property identified as Municipal Number 160-168 Front Street.

2012-73 (5) In a Residential Zone, the portions of a driveway or parking area in a front yard, outside side yard, or extension of an outside side yard into a rear yard may be up to 6.0 m. in width. Where such lot has a lot frontage greater than 12.0 m., driveways or parking areas in a front yard, outside side yard, or extension of an outside side yard into a rear yard may cover up to 50% of the yard, subject to a maximum width of 9.0 m at the street line. The portion of those yards not covered by driveways or parking areas must be maintained as a landscaped area.

16. OFF-STREET LOADING REQUIREMENTS

For every building or structure hereafter erected for an industrial or commercial use, except in the C5 Zone, involving the frequent shipping, loading or unloading of persons, animals, goods, wares or merchandise, there shall be provided and maintained for the premises, loading facilities on land that is not part of a street, comprised of one or more loading spaces in accordance with the gross floor area of the building or structure as follows:

<u>GROSS FLOOR AREA</u>	<u>NUMBER OF LOADING SPACES</u>
415 sq. m. or less	None
from 415 sq. m. to 2,300 sq. m. inclusive	1
over 2,300 sq. m.	2

17. SUPPLEMENTARY OFF-STREET LOADING REGULATIONS

- (1) Each loading space shall not be less than 12 m. long and 3.6 m. wide and have a vertical clearance of not less than 4.5 m.;
- (2) Every loading space shall have unobstructed access to a public street or lane by means of a driveway having a minimum width of 6.0 m.;
- (3) Every loading space shall be constructed of crushed stone, slag, gravel, having an asphalt or cement binder, or any type of permanent type, surfacing with drainage facilities that comply with the requirements of the Corporation;
- (4) Every loading space shall be maintained with a stable surface that is treated so as to prevent the rising of dust or loose particles;
- (5) Every driveway shall be surfaced in the same or better manner as the loading area;
- (6) Where the loading area is adjacent to a Residential Zone or RH Zone, any lighting facilities shall be so arranged as to deflect the light away from the Residential Zone or RH Zone;
- (7) Where the loading area is adjacent to a Residential Zone or RH Zone, a barrier at least 1.5 m. in height shall be erected on the abutting lot line where it abuts the Residential Zone or RH Zone. Such barrier shall be constructed of material and in a manner to effect complete visual screening of the loading area.

18. HEIGHTS OF BUILDINGS AND STRUCTURES

- (1) The height of a building or structure shall be the vertical distance between the highest point of the building or structure and the elevation of the ground at the base of the building or structure.
- (2) The elevation of the ground at the base of a building or structure shall be determined by the application of the rules hereafter stated:
 - a) Where the said building or structure is to be erected closer than 15.0 m. to the streetline of the lot, the ground elevation shall be:
 - i. in the case of an interior lot - the elevation of the centre line of the public road abutting the lot, opposite the centre line of the lot;
 - ii. in the case of a corner lot - the mean of the elevations of the centre lines of the two abutting public roads, opposite the centre line of the lot and opposite a line halfway between front lot line and rear lot line.
 - b) Where the said building or structure to be erected is more than 15.0 m. distant from any street line of the lot the ground elevation shall be the mean elevation of the ground at the base of the front wall of the said building or structure exclusive of any embankment and any steps.
 - c) Where the said building or structure to be erected on a corner lot is more than 15.0 m. distant from one street line of the lot and less than 15.0 m. from the other street line, the ground elevation shall be the elevation of the centre line of the public road closest to the building or structure measured opposite the centre of the building or structure.
- (3) For the purpose of determining the height of a building or structure, the following shall not be included:
 - a) An elevator housing, a roof stairway, a water tank, a ventilating fan

housing, a skylight, a steeple, a clock tower, a chimney, a smokestack, a fire wall or a parapet wall; or

- b) A roof sign, a radio or television aerial, a flag pole or similar device not structurally essential to the building.

19. LANDSCAPING

Where this By-Law requires the provision of landscaping strips or areas of landscaped open space, the land provided for landscaping strips shall be graded, sodded and/or seeded to grass and planted with trees and/or shrubs so as to form at maturity a dense, thick screen or buffer; the land provided for landscaped open space shall be graded, sodded and/or seeded to grass and planted with trees and/or shrubs. The said grassland, trees and/or shrubs shall be maintained or from time to time renewed by the landowner to provide and maintain a privacy screen for the residents of the area.

20. SENIOR CITIZENS' HOUSING

Where a dwelling is constructed, which is designed and operated exclusively for senior citizens, on a lot located in any R5, R6, R7 or R8 Zone, the following requirements shall apply notwithstanding the floor area requirements of these zones, and provided all other requirements of these zones are complied with:

Minimum gross floor area per dwelling unit:

- i. Bed-sitting room unit 31.5 sq. m.
- ii. One bedroom unit 42.5 sq. m.

21. DAY NURSERIES

10980

The following requirements shall apply to day nurseries in the R1, R2, R3, R4, R5, R6, R7, R7C1, R8, C1, C2 and CF Zones.

- (1) Lot Frontage (minimum) 18.0 m.
- (2) Front Lot Line (minimum) 16.5 m.
- (3) Lot Area (minimum) 696.5 sq. m.
- (4) Front Yard Depth (minimum) 7.5 m.
- (5) Rear Yard Depth (minimum) 7.5 m.
- (6) Interior Side Yard (minimum) 3.0 m.
- (7) Lot Coverage (maximum) 35%
- (8) Building Height (maximum) 10.6 m.
- (9) Maximum Enrolment: Day Nurseries shall be restricted to a maximum enrolment of 24 children at any one time.
- (10) Outdoor Play Space for a "day care centre": a minimum of 7.0 sq. m. per licensed child to be located in the rear yard and in the case of a corner lot in the rear yard and/or outside side yard.
- (11) Distance between Day Nurseries: there shall be a minimum radius of 200 m. measured from the property line to property line between any two Day Nurseries.

(12) **FOR PARKING REQUIREMENTS**

See Part C, Sections 14 & 15.

(13) **SPECIAL PROVISIONS**

- (a) For Day Nurseries located within areas zoned R6, R7, R7C1 and R8, the provisions of Subsections (8) and (11) of this Section 21 shall not apply.
- (b) For Day Nurseries located within areas zoned C1, the provisions of Subsections (9) and (11) of this Section 21 shall not apply.
- (c) For Day Nurseries located within areas zoned C2, the provisions of Subsections (4), (5), (6), (9) and (11) of this Section 21 shall not apply.
- (d) For Day Nurseries located within areas zoned CF, the provisions of Subsections (8), (9) and (11) of this Section 21 shall not apply.

22. RESIDENTIAL CARE FACILITIES

13027

The following requirements shall apply to Residential Care Facilities locating in the R1, R2, R3, R4, R5, R6, R7, R7C1, and R8 zones.

(1) **Minimum Floor Area**

18.5 m² per resident

(2) **Minimum Yard Area**

7 m² per resident (to be maintained as accessible landscaped open space)

(3) **Distance Separation**

- (i) Within R1, R2, R3, and R4 Residential Zones, a minimum distance separation of 250 metres (820 feet) shall be required between Residential Care Facilities or between a Residential Care Facility and a Transition Home.
- (ii) Within R5, R6, R7, R7C1, and R8 Residential Zones, a minimum distance separation of 160 metres (525 feet) shall be required between Residential Care Facilities. A minimum distance separation of 250 metres (820 feet) shall be maintained between a Residential Care Facility located within a medium or high density residential use and a Transition Home. (Note: Distance separation as required in (i) and (ii) above shall be measured as a radius around the location of the facility and shall be measured from the closest points of the property lines between the two facilities.)
- (iii) A maximum number of one (1) Residential Care Facility or Transition Home shall be permitted per 1000 population.

(4) **Parking**

Not more than eight (8) and not less than five (5) residents, a minimum of three (3) parking spaces in either the side or rear yard.

Not more than four (4) residents, a minimum of two (2) parking spaces in either the side or rear yard.

23. TRANSITION HOME

13027

The following requirements shall apply to Transition Homes locating in the

CF - Community Facility and C5 - Non-Retail Commercial Zones as well as all Zones located within the designated area shown on Appendix IX of this By-Law.

- (1) Lot Frontage (minimum) 18.0 m.
- (2) Front Lot Line (minimum) 16.5 m.
- (3) Lot Area (minimum) 696.5 sq. m.
- (4) Front Yard Depth (minimum) 7.5 m.
- (5) Rear Yard Depth (minimum) 7.5 m.
- (6) Interior Side Yard Width (minimum)
(plus 0.6 m. for each additional storey
above one storey) 1.2 m.
- (7) Lot Coverage (maximum) 35 percent
- (8) Building Height (maximum) 10.6 m.
- (9) Minimum Floor Area per
resident = (200 sq. ft.) 18.5 sq. m.
- (10) Minimum Yard Area
(to be maintained as landscaped open space) 7.0 sq. m.
- (11) Distance Separation
 - (i) A minimum distance separation of 250 metres (820 feet) shall be required between Transition Homes or between a Transition Home and a Residential Care Facility. (Such distance separation as required in (i) above shall be measured as a radius around the location of the facility and shall be measured from the closest points between the property lines of the two facilities.)
 - (ii) A maximum of one (1) Transition Home or Residential Care Facility per 1000 population.
- (12) Parking

A minimum of four (4) parking spaces. If located within an area designated for Residential use, the parking shall be provided in a side or rear yard.

24. OUTDOOR PATIO PROVISIONS

2000-153

Outdoor patios may be permitted as an accessory use to any eating establishment located in any CC, C2, C3, C4 or C6 zone subject to the following provisions:

- 1) No person shall establish an outdoor patio within:
 - a) 25 metres of any lot that contains a dwelling and is located within a residential zone; or
 - b) 5 metres of any lot that contains a dwelling and is located within a non-residential zone.

Notwithstanding the foregoing, no setback shall be required for an outdoor patio from any lot containing a dwelling in a C2 or C6 zone.

- 2) No person shall establish an outdoor patio within any parking area that is

required to satisfy the minimum parking requirements established by this By-Law for all uses located on the same lot therewith.

- 3) No person shall establish an outdoor patio that does not meet the minimum building setback or yard width requirements set out in this By-Law applicable to eating establishments located within the same zone, but this provision shall not apply to outdoor patios located within any C2 or C6 zone.
- 4) Notwithstanding the definition of 'accessory use' in this By-Law, within any area zoned C2 or C6, an outdoor patio may be permitted on lands separate from the lands upon which the main use is located, provided the outdoor patio abuts the lands upon which the main use is located.
- 5) For purposes of this By-Law, areas used for outdoor patios shall not be considered gross floor area or gross leasable floor area, and shall not be considered part of the building for purposes of determining lot coverage.
- 6) For purposes of this By-Law, off-street parking shall be required for outdoor patios in accordance with Part C, Sections 14 and 15 at the rate of one (1) parking space for every four (4) persons that can be accommodated at one time in the outdoor patio in excess of twenty (20) persons, but no off-street parking shall be required for any outdoor patio located within any C2 or C6 Zone.

25. SECOND UNIT DWELLINGS (Accessory Apartments)

2018-185

Notwithstanding any other provisions of this By-law to the contrary, a maximum of one Second Unit Dwelling shall be permitted in any single-detached, semi-detached or townhouse dwelling, provided that:

- 1) The second unit dwelling use is entirely within the same building as the main use on the same lot;
- 2) The use is accessory to the main use on the same lot;
- 3) The maximum floor area used for an accessory dwelling on a lot is 100 m² and shall not exceed 45% of the total floor area of the building (including basement or cellar);
- 4) Subsection 3) does not apply where the second unit dwelling is located entirely within the basement save and except for its entrance located on the ground floor;
- 5) A maximum of 2 bedrooms are permitted in each second unit dwelling;
- 6) A second unit dwelling is not permitted on a property where there is a converted dwelling, duplex dwelling, triplex dwelling, double duplex dwelling, semi-detached duplex dwelling, horizontal multiple attached dwelling, apartment dwelling, group housing, 3-unit housing, or coach house also situated;
- 7) A minimum of 1 parking space is provided for the second unit dwelling, in addition to parking required for the single detached, semi-detached or townhouse dwelling;
- 8) The lot has frontage on an open public maintained road; and
- 9) Any lot with a second unit dwelling shall provide and maintain a minimum of 40% of the front yard as landscaped open space.
- 10) The creation of a second unit dwelling must not result in any new doorway entrance added to the front wall, whether before, during, or after the creation of the second unit dwelling
- 11) Subsection 10) does not:
 - i. prohibit an internal lobby or vestibule with a common doorway entrance in the front wall; nor
 - ii. prohibit the creation of a secondary dwelling unit within a dwelling unit that already contains more than one doorway entrance in the front wall; nor
 - iii. require the removal of a doorway entrance to a house that already contains more than one doorway entrance in the front wall; nor
 - iv. prohibit the addition of one doorway entrance along the front wall of a dwelling unit on a corner lot where there is no doorway entrance along that front wall, but where there is one along the corner side wall of the dwelling unit.

26. COACH HOUSES

2018-185

Notwithstanding any other provisions of this By-law to the contrary a maximum of one

(1) coach house dwelling is permitted on a residential lot containing a single detached, semi-detached or townhouse dwelling, provided that:

- 1) The maximum floor area used for a coach house dwelling on a lot is 100 m² and shall not exceed 40% of the total floor area of the main building (including basement or cellar);
- 2) A maximum of 2 bedrooms are permitted in a coach house dwelling;
- 3) A coach house dwelling is not permitted on a property where there is a converted dwelling, duplex dwelling, triplex dwelling, double duplex dwelling, semi-detached duplex dwelling, horizontal multiple attached dwelling, apartment dwelling, group housing, 3-unit housing, or a second unit dwelling also situated;
- 4) A minimum of 1 parking space is provided for the coach house dwelling, in addition to parking required for the single detached, semi-detached or townhouse dwelling;
- 5) Any lot with a coach house dwelling shall provide and maintain a minimum of 40% of the front yard as landscaped open space;
- 6) The maximum lot coverage of the coach house dwelling shall not exceed 40% of the yard in which it is located;
- 7) The coach house dwelling is prohibited from future severance;
- 8) The minimum distance from side and rear lot lines shall be either the greater of 1.2 metres or the minimum distance from side and rear lot lines as established within the underlying zone;
- 9) A minimum 1.2 metre-wide access from the coach house dwelling to a public street is provided;
- 10) Other provisions for accessory buildings or structures as established within the underlying zone apply; and,
- 11) The lot has frontage on an open public maintained road.

27. Public Uses

2019-62

Notwithstanding any other provisions of this By-law, the City, any public authority, or any Department or Ministry of the Government of Canada or Ontario, and for the purposes of this Section shall include any school board, Hydro One Networks Inc., Ontario Power Generation, Veridian Connections Corp., any telecommunications company, and any natural gas distribution company, may for the purposes of the public service, use any land or erect or use any building in any zone subject to the following provisions:

- 1) Such public use shall comply with all applicable zone regulations, parking and loading requirements of the zone in which it is located.
- 2) Such use, building or structure shall be buffered from an adjacent residential use by 1.5 metres of landscaped area.
- 3) Notwithstanding any provision of this By-Law to the contrary, buildings and structures which are used for the storage of road maintenance materials within a public works yard owned by a public authority shall be exempt from the height requirements of this By-Law.

- 4) Outdoor storage of goods, materials or equipment is not permitted unless such outdoor storage is specifically permitted in the zone in which the public use is located and is not permitted in any required yard abutting a residential zone.
- 5) Any above-ground, utility or public use which is located in a residential zone, shall be located and maintained in general harmony with the residential buildings permitted in such zone.
- 6) Electricity generation facilities and transmission and distribution systems are permitted in all zones subject to any regulatory requirements for the utility involved.
- 7) Secondary uses, such as active and passive recreation, agriculture, community gardens, other utilities and uses such as parking lots and outdoor storage that are accessory land uses, are permitted on hydro corridor lands, where compatible with surrounding land uses. However, a proponent should be aware of the primacy of the electricity transmission and distribution facilities and that secondary uses require technical approval from the electricity transmission and distribution utility company.

Moreover, driveways to the parking areas shall be shared with the C1-4 zoned area to the north.

2018-92 (32) Notwithstanding the provisions of Subsection 1. (2) within the area zoned R2-30, parking for Quinte Healthcare shall be a permitted use.

9. FOR DAY NURSERY PROVISIONS

10980

See Part C, Section 21.

THIS AGREEMENT made this 3rd day of July, 1985.

BETWEEN

J.E.M. PROPERTIES LIMITED,
hereinafter called the Owner,
OF THE FIRST PART;

- and -

THE CORPORATION OF THE CITY OF BELLEVILLE,
hereinafter called the Corporation,
OF THE SECOND PART;

WHEREAS the Owner is seized in fee simple of the lands described in Schedule "A" annexed hereto;

AND WHEREAS the Owner is desirous of constructing a Group Housing Project on the said lands;

AND WHEREAS the lands are to be zoned R5-2 under the Restricted Area By-law of The Corporation of the City of Belleville Number 10245 as amended, said zoning to include a Special Provision to restrict the maximum number of dwelling units to 24 units and to require that the Site Plan be part of the amending zoning By-law;

AND WHEREAS Section 6(c) of By-law Number 10669 requires that prior to the development of the lands in an R5-2 zone a Site Plan Agreement dealing with the provision, maintenance, and the use of various facilities and matters be entered into between the Owner of the lands and the Corporation;

AND WHEREAS the Owner is desirous of developing the said lands set out in Schedule "A" by constructing thereon a Group Housing Project and is therefore pursuant to By-law 10669 desirous of entering into a Site Plan Agreement which these presents shall constitute;

IN CONSIDERATION of the mutual promises contained herein, the hereinbefore premises and other good and valuable consideration, the Parties hereto agree as follows:

1. The Owner and the Corporation agree that this Agreement shall constitute and be an agreement within the meaning of Section 6(c) of By-law Number 10669 of the Corporation and once it has been executed by both the Owner and the Corporation, the Owner shall be entitled to develop the lands in accordance with the terms of this agreement, subject to the necessary rezoning being finalized.

2. The Parties acknowledge and agree that hereto and forming part of this Agreement is Schedule "B", which Schedule is made up of the following drawings:

Drawing A-1 and A-2

3. The Corporation and Owner agree that ingress and egress to the property from Herchimer Avenue shall be provided at the points and in the manner set out in the plans annexed hereto as Schedule "B" and that such ingress and egress shall be maintained and constructed by the Owner for both vehicular and pedestrian traffic in accordance with the said plans.

4. a) That there be provision of emergency access facilities for fire fighting vehicles, said emergency access to be provided through the Belleville Plaza property as set out in the plans annexed hereto as Schedule "B". Provision of said access being the subject of an Agreement between Belleville Plaza, J.E.M. Properties Limited and The Corporation of the City of Belleville dated the 26th day of March, 1985.

b) The Corporation and Owner agree that said emergency access facilities for fire fighting vehicles be a minimum of 6 m. in width and that the emergency access will be appropriately posted by the Owner as a no parking area on both sides and that the Owner will ensure that the emergency access will be used by emergency vehicles only into the Belleville Plaza property.

5. The Owner covenants that parking for the facility shall be provided as shown on the plans annexed hereto as Schedule "B", in accordance with the requirements of By-law Number 10245.

6. The Owner covenants and agrees that it shall be solely responsible for the removal of snow and ice from the internal roadways, if any, set out in the drawings annexed hereto as Schedule "B", and as well from the driveways and parking areas designated on the plans.

7. The Owner covenants and agrees that the lands shall be developed, laid out and constructed strictly in accordance with the layout, plans and specifications attached to this Agreement as Schedule "B" and unless otherwise mutually agreed between the Parties hereto, the Owner agrees that it will construct the Group Housing Project strictly in accordance with the site plan and services outlined therein. The parties further agree that the drawings attached hereto as Schedule "B" properly detail drainage, swale, internal storm sewers, storm sewer outlets, internal sanitary sewer system, walkways, internal roadways, watermains and electrical distribution systems, and all other matters covered thereby. The Owner further covenants that the storm and sanitary sewers and roadways shall be constructed at its expense to the specifications and standards of the City of Belleville. The Owner further covenants and agrees to construct the sanitary sewer and its connections from the proposed development to the Corporation's sewers on Herchimer Avenue, said construction and connection to be in accordance with the Corporation's requirements.

8. The Owner further covenants and agrees to:
 - a) Contain all surface water runoff from the roof of the building and from the parking lot within their limits;

 - b) At the end of construction, sod all disturbed areas and protect the sod with stakes and/or wire mesh until the sod is well rooted.

9. The Owner covenants and agrees to comply with the requirements of the Public Utilities Commission of the City of Belleville and, prior to the issuance of any building permit, to enter into such Agreement or Agreements as may be required with the Commission for the supply of electricity and water and to convey to the Commission such easement or easements as may be necessary for the continuation of its distribution systems.

10. The Owner further covenants that the property shall be landscaped in accordance with the landscape drawing, which forms part of Schedule "B" and the same maintained accordingly.
11. The Owner agrees to provide either a certified cheque or Letter of Credit payable to the Corporation in the amount of \$15,000.00 as performance security for the Corporation in connection with work proposed to be undertaken on the public road allowance. In the event the work is carried out by the Corporation, the Owner agrees that the Corporation shall undertake to have the work completed at the Owner's expense and that the Owner shall be liable for the full cost of the said work and the Corporation shall be permitted to apply the funds in the performance security to the said cost and should there be a balance remaining the Owner further agrees to reimburse the City for such balance.
12. The Owner further agrees to guarantee the work it carries out on the Corporation's road allowance for a twelve month period from the date of completion of all conditions required by this Agreement as indicated by the Corporation. The performance security may be reduced to \$1,500.00 for the twelve month guaranteed maintenance period if requested by the Owner.
13. The Owner agrees that all services on public road allowances shall be installed strictly in accordance with City specifications and standards and all such installations will be made throughout under the supervision of the City Engineer and also in accordance with the plans and profiles attached hereto as Schedule "B". Any contractor employed by the Owner to install any such City services must be approved by the City Engineer, in writing, prior to the contract being made.
14. The Owner agrees to pay to the City, inspection costs in the amount of \$500.00.
15. The Owner further agrees to carry out the works described herein to the satisfaction of the Corporation on/or before the 31st day of December, 1986.

16. The Owner agrees to submit an application for approval of a Plan of Condominium in connection with the Group Housing Project.
17. The Owner agrees that any asphalt reinstatement and concrete or asphalt sidewalk reinstatement on the public road allowance will be carried out by the City of Belleville at the Owner's expense.
18. The Owner agrees that prior to completion of the works covered by the Agreement, to supply to the Corporation an affidavit signed by a Professional Engineer or Ontario Land Surveyor which shall verify that the grades as actually set in the ground are in accordance with the grades as set out on the site plan included herewith as Schedule "B".
