

Cycling Facilities

Share The Road

- "Sharrows" direct cyclists where to travel within a lane and remind motorists to share the road

On The Road Bike Lanes

- Painted lane providing dedicated space solely for cyclist use, typically adjacent to the curb

Multi-Use Pathway

- Path located within the road right-of-way which may be shared with pedestrians
- Completely separated from the road by a grass or paved boulevard

Off Road Trails

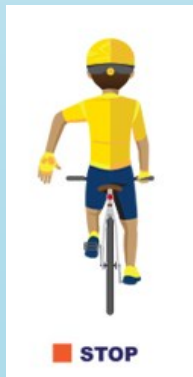

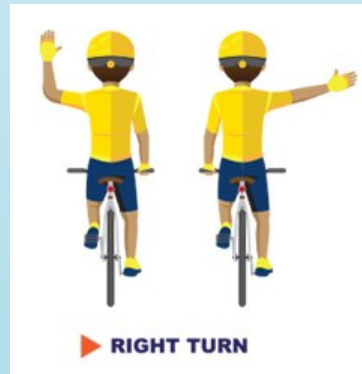

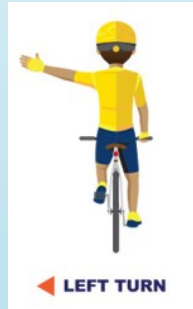

- Active transportation path through open or park space, not within road right-of-way

Cycling 101

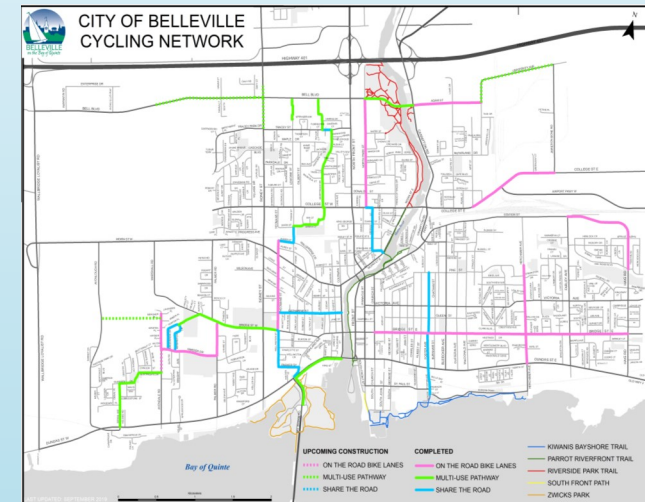

Rules of the Road

- Bikes are classified as a vehicle under Ontario's *Highway Traffic Act*
- Cyclists must obey all traffic laws, have the same rights and responsibilities as drivers
- Cyclists must stay as close to the right edge of the road whenever possible
- Cyclists under the age of 18 must wear an approved helmet
