

Notice of Public Information Centre City of Belleville Bell Boulevard Widening Environmental Assessment Study

INTRODUCTION

The City of Belleville is conducting an Environmental Assessment (EA) Study for the widening of Bell Boulevard from Sidney Street to Wallbridge Loyalist Road. The Study will evaluate alternatives for roadway alignment, cross-sections, intersections and active transportation and recommend a preferred plan to address the needs of the Study Area.

PUBLIC CONSULTATION

The first Public Information Centre (PIC) was held during the preparation of the City's Transportation Master Plan which identified the need for widening this section of Bell Boulevard. A second PIC will be held on August 22, 2019 to present the study scope and issues, preliminary design alternatives and Technically Preferred Alternative. The PIC is scheduled for:

Date: August 22, 2019
Time: 5:30 pm – 8:00 pm (drop-in)
Location: Belleville City Hall, 169 Front Street, Belleville, Ontario
3rd Floor – Sir Mackenzie Bowell Room

There is an opportunity at any time during the Class EA process for interested persons to provide comments. All information will be collected in accordance with the Freedom of Information and Protection of Privacy Act (2009). With the exception of personal information, all comments will become part of the public record. Persons will be advised of future communication opportunities by electronic notice.

For more information, or if you wish to be placed on the study's mailing list, contact either:

Steve Taylor, P.Eng.
