Section 3.6.3 of the Official Plan is amended by adding the following paragraph:

"Notwithstanding the policies of this Section 3.6.6, within the Village Residential designation for the lands described a Part of Lots 16 and 17, Point Anne Concession, Township of Thurlow, now in the City of Belleville, County of Hastings, development shall be limited to a single unit dwelling on private water and sewage disposal systems and on a private right-of-way."

4. GENERAL PROVISIONS

4.1.3 LOT COVERAGE AND HEIGHT (2006-131)

Save and except for the R1 through to R4 zones, inclusive, the total lot coverage of all accessory buildings and structures, except swimming pools, shall not exceed 5 percent of the lot area. Within the R1 through to R4 zones, inclusive, the total lot coverage of all accessory buildings and structures, except swimming pools, shall not exceed 10 percent of the lot area. No accessory building or structure, except for barns, shall exceed a height of 5 metres.

4.1.9 UNENCLOSED PORCHES, BALCONIES, STEPS OR PATIOS (2006-131)

(Quote from By-Law) THAT Subsection 4.1.9 of By-Law Number 3014, as amended, shall be and the same is hereby amended by inserting the wording "save and except the R1 through to R4 zones, inclusive, where they may project a maximum distance of 3.0 metres into any required rear yard" between the words "metres" and "but".

(Amended paragraph now reads:)

Notwithstanding the yard and setback provisions of this By-Law to the contrary, unenclosed porches, balconies, steps and patios covered or uncovered, drop awnings, eaves, may project into any required yard a maximum distance of 1.5 metres save and except the R1 through to R4 zones, inclusive, where they may project a maximum distance of 3.0 metres into any required rear yard, but not closer than 1 metre to any lot line, provided that in the case of porches, steps or patios such uses are not more than 2 metres above grade.

4.1.11 SWIMMING POOLS (2016-86)

Notwithstanding the yard provisions of this By-law to the contrary, an outdoor swimming pool shall only be permitted within the rear yard or side yard of a lot and shall be within a swimming pool enclosure. Such outdoor swimming pool shall not be located within 1.0 metres of the rear or interior side lot lines. In the case of a corner lot, such outdoor swimming pool, or pool enclosure, shall conform to the minimum exterior side yard requirement of the main or principal building on the lot. The maximum area covered by an outdoor swimming pool shall not exceed twenty (20) percent of the total lot area. For the purposes of this subsection, "pool enclosure" shall mean a fence, wall or other structure, including doors or gates, surrounding an outdoor swimming pool designed to restrict access thereto.

4.15.4.6
(2012-74) **PARKING SPACE REQUIREMENT TABLE**

Notwithstanding 4.15.4.5, in the R1 through to R4 zones, inclusive, the portions of a driveway or parking area in a front yard, exterior side yard, or extension of an exterior side yard into a rear yard may be up to 6.0 m. in width. Where such lot has a lot frontage greater than 12.0 m., driveways or parking areas in a front yard, exterior side yard, or extension of an exterior side yard into a rear yard may cover up to 50% of the yard, subject to a maximum width of 9.0 m at the street line. The portion of those yards not covered by driveways or parking areas must be maintained as landscaped open space.

4.18.4
(2016-86) **SPECIAL USES PERMITTED – Deleted May 9, 2016**

4.18.4
4.18.4.1 **SPECIAL USES PERMITTED**

Notwithstanding any other provision of this By-Law, uses such as a storage trailer, freight container, construction camp or other temporary work camp, a tool shed, scaffold, or other building or structure as well as the parking or storage of any construction equipment or construction vehicle(s) incidental to a Municipally, Provincially or Federally funded construction project or construction on private property shall be permitted provided that:

(2016-86)

- i) such uses, buildings or structures shall only be permitted for as long as the same are necessary for work in progress that has neither been finished nor discontinued for a period of 60 days; and
- ii) a valid building permit or site alteration permit for the construction remains in place, if such a permit was required; and
- iii) such uses, buildings or structures are removed when the work in connection with which they were constructed is terminated.

4.18.4.2
(2016-86)

Nothing in this By-Law shall prevent the erection of model homes on lands

that currently have draft plan of subdivision or condominium approval for residential purposes provided that:

- i) the total number of permits for single detached, semi-detached or duplex model home dwellings shall be limited to 8, including one street townhouse model home building containing a maximum of 8 dwelling units;
- ii) the type of model home dwelling shall comply with the provisions of the zone in which it is located;
- iii) the dwelling shall be used for the purpose of a model home only and shall not be occupied as a dwelling unit prior to the date of the registration of the plan of subdivision, the substantial completion of services, and obtaining any required building permits, all to the satisfaction of the City;
- iv) the model home shall comply with all other provisions of this By-Law, as though the dwellings and/or units were constructed on the lot within the registered plan of subdivision; and
- v) the model home shall comply with all applicable terms and conditions of the said subdivision or condominium agreement.

4.21.1 TRUCK TRAILER BOX
(2002-63)

A truck trailer box shall not be permitted within the following zones: R1, R2, R3, R4, RR, SR, ER, and MHR.

Furthermore, in addition to the provisions of Section 4.1, a truck trailer box shall be a permitted accessory structure for storage purposes within the following zones: C1, C2, C3, C4, M1, M2, M3, CF, PA, and RU zones provided where the zone abuts a residential zone or residential use, the setback shall be a minimum of 15 m from the lot line.

Subsection 6.11.1.8.9

"Within the area zoned C1-9, a casino shall be a permitted use in addition to those uses permitted by Subsection 6.11.1. For the purpose of this By-Law a casino shall mean a gaming facility approved by the Ontario Lottery and Gaming Corporation but does not include any other use or activity otherwise defined or classified in this By-Law.

Notwithstanding the permitted uses of the C1-9 zone, within the area zoned C1-9-h no person shall erect or occupy any building or structure or use land for any purpose, other than the use that existed on the day of the enactment of this By-Law. The 'h' holding symbol shall be removed from the C1-9-h zone, in accordance with Section 36 of the Planning Act R.S.O. 1990, as amended, provided that the following are addressed:

- That it has been demonstrated to the satisfaction of the City of Belleville that the lands have been legally merged in title and that a traffic impact study has been completed;
- That a scoped hydrogeological assessment of the site be undertaken to assess the impact on the water supply of local wells. This would entail establishing which properties remain privately serviced and a review of the development with respect to potential impact on these properties; and
- For the purpose of this By-Law, a casino shall not be a permitted use unless final approval has been given by the Ontario Lottery and Gaming Corporation for a casino on the subject lands."
